

Astley Ainslie Vision Framework – how we will reach our goal

Vision

The Astley Ainslie will be a thriving greenspace managed by the local community, providing health, housing, jobs, and enjoyment to the people of Edinburgh

Purpose

To retain and enhance the Astley Ainslie as a greenspace for the benefit of all

Development Ambition

AACT will develop a feasibility study and business plan for community ownership of the site

This study will help us determine what part(s) of the site can best deliver on the community vision and realistically be pursued for community ownership

The development will be fully financially viable

AACT's Values

Inclusive and welcoming

Democratic and consensus led

Accountable

Transparent

Responsive

Strategy

Lead a Community Asset Transfer on all or part of the site

Build on local support for the vision

Secure and put in place funding – charitable, private, government etc

Partner other organisations inc NHS, developers, charities, NGOs, businesses etc

Engage with NHS Lothian's decision-making

Mission

We are campaigning for community ownership of the Astley Ainslie site. We are providing a forum for all those who wish to engage, and we are actively encouraging local community involvement. We are building an inclusive and sustainable model of community ownership for the benefit of the people of Edinburgh
